OCTOBER, 2008

AMHERST, VIRGINIA

## Greetings Club Members & Resident

### Welcome New Residents

Kirtis, Rose, Webster, Rosie, & Brewster all moved into their new home on Golf Course Trail in September. We're glad to have them in the neighborhood! They have transformed it into a home, and will be adding landscaping. For Poplar Grove they will be improving all of our signs where needed.

Richard & Margaret Cooper moved to Poplar Grove in September and their house is worth a visit. Be sure to look them up and get a tour. Richard has a bit of a green thumb and will be gradually landscaping their yard. Beautiful home and fun people!

The homes of Jim & Beth Magill and David & Monya Manion are looking great!

Thank you to Terry Morcom and Charles Carter, both excellent builders, for keeping "high quality" in Poplar Grove's homes.

### Lifesavers Tournament Sept 26 with 200 Players

Another very successful tournament with everyone a winner. We thank Bruce Signs (Kirtis & Rose Webb), Apple Ford (Daryl & Nancy Huften), Lynchburg Nissan (Chris Mabry), Outback Steakhouse and all of the volunteers and participants for this important cause. Next year's event is already being planned.
